Announcing Public Meetings Regarding LaCrosse High School

Date: 02/21/2020

Re: Public Meetings at LaCrosse High School

The Tri-Township School Board met on February 20, 2020. During the regularly scheduled meeting Mr. Shepherd presented a strategic plan that encompassed his current assessment of LaCrosse High School, as well as, his vision for its future. That future vision involves moving Tri-Township's High School onto the same campus as the Elementary & Middle School.

In the advertised executive session, that same evening, Mr. Shepherd recommended that we escalate meetings to inform the public of the stated plan and implications from any further delay.

On behalf of the Tri-Township School Board and Administration, I want to notify you and invite you to attend either of two public meetings at LaCrosse High School. The purpose of the meetings is to provide further explanation regarding my school board recommendation. The meetings will take place in the Tiger Den on Thursday, February 27 and Wednesday, March 4 at 6:00.

In preparation for attending one of these meetings you may read the strategic plan in its entirety posted on our school website. If you have any questions prior to attending one of these public meetings, or if you are unable, you may certainly contact me.
