

We Want To Hear What You Think!

The Tri-Township School Board would like to announce a “Town Hall” style meeting scheduled for **November 6th from 6:00 to 7:00pm at Wanatah School.**

We, as the School Board and Administration of Tri-Township Schools, want to continue to improve our schools. So, this year we have purposefully reached out to more people in our school system and have listened to their ideas and feelings about our schools. Reaching out was one of the reasons we held our first Town Hall Meeting on March 29th. During that meeting multiple issues were discussed including concerns about our Math program, unity between the two schools and retaining a School Resource Officer. We want to take this opportunity to update you on the status of those areas and other areas we have been working to improve.

This meeting is also designed to give you a direct opportunity for constructive input regarding the schools in Tri-Township. Our last meeting gave us specific areas to work on and improve and we are hopeful that this meeting will do the same. We hope to see you at the meeting.

Many minds and hearts united together for a single purpose: that is where our strength lies.
